MANAGEMENT INFORMATION CIRCULAR

Unless otherwise indicated information herein is given as of November 1, 2016

This management information circular (“**Circular**”) is furnished in connection with the solicitation of proxies by the management (“**Management**”) of Bayhorse Silver Inc. (the “**Company**” or “**Bayhorse**”) for use at the annual and special general meeting (the “**Meeting**”) of shareholders (“**Shareholders**”) of the Company to be **held at 10:00 a.m. (Vancouver time) on Thursday, December 8, 2016**, at the place and for the purposes set forth in the notice of the Meeting (the **Notice of Meeting**”).

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by Management will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Circular and related proxy materials to their customers. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Registered Shareholders

If you are a registered Shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. If you submit a proxy, you must complete, date and sign the proxy, and return it to: **Computershare Investor Services Inc.**, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be deposited with the Chairman of the Meeting on the day of the Meeting prior to the commencement or any adjournment or postponement thereof.

Non-Registered Shareholders

Only registered Shareholders or duly appointed proxyholders are entitled to vote at the Meeting. Most Shareholders are non-registered Shareholders (“**Non-Registered Shareholder**”) because the Common Shares they own are not registered in their names but are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESSPs and similar plans); or (b) in the name of a clearing agency such as The Canadian Depository for Securities Limited in Canada or the Depository Trust Company, in the United States, of which the Intermediary is a participant.

In accordance with the requirements as set out National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Circular and form of Proxy (collectively the “**Meeting Materials**”) to the Intermediaries and clearing agencies for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting

Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- a) Be given a proxy which **has already been signed by an Intermediary** (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. This form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and **return it in accordance with the instructions provided in the proxy; or**
- b) More typically, be given a voting instruction form which **is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**Voting Instruction Form**” or “**VIF**”), which the Intermediary must follow.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Shareholder who receives either a proxy or a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Shareholder should strike out the names of the persons named in the Proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided or, in the cases of a VIF, follow the corresponding instructions on the form.

Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those regarding when and where the proxy or VIF is to be delivered. If Non-Registered Shareholders do not follow such instructions and attend the Meeting, they will not be entitled to vote at the Meeting.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

These Meeting Materials are being sent to both registered and non-registered owners of the Common Shares. If you are a Non-Registered Shareholder, and the Company or its agent has sent these Meeting Materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. The Company does not intend to pay for Intermediaries to forward the Meeting Materials to OBOs. Accordingly, OBOs will not receive the Meeting Materials unless the Intermediary assumes the cost of delivery.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy are directors and/or officers of the Company. A Shareholder has the right to appoint a person or company (who need not be a Shareholder) other than the persons whose names appear in such form of proxy, to attend and act for and on behalf of such Shareholder at the Meeting and any adjournment thereof. Such right may be exercised by either striking out the names of the persons specified in the form of proxy and inserting the name of the person or company to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 not less than forty-eight hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting, or any adjournment thereof.

A registered Shareholder of the Company who has given a proxy may revoke the proxy by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the registered Shareholder is a corporation, by an officer or attorney thereof properly authorized, either: (i) at the principal office of the Company at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment thereof, (ii) with the said office of Computershare Investor Services Inc. Attn: Proxy Department at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment thereof, or (iii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; (b) transmitting, by telephone or electronic means, a revocation that

complies with paragraphs (i), (ii) or (iii) above and that is signed by electronic signature, provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such Shareholder or by or on behalf of his or her attorney, as the case may be; or (c) in any other manner permitted by law including attending the Meeting in person.

A Non-Registered Shareholder who has submitted a proxy may revoke a VIF or proxy that has been given to an Intermediary or to the service company that the Intermediary uses by following the instructions of the Intermediary respecting the revocation of proxies, provided that an Intermediary is not required to act on a revocation of a proxy or VIF which is not received by the Intermediary at least seven days prior to the Meeting.

Notice-and-Access

The Company is not sending the Meeting Materials to registered Shareholder or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations*.

Voting and Discretion of Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment thereof, in accordance with the instructions of the Shareholder thereon. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters referred to in the Notice of Meeting as specified thereon.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters identified in the accompanying Notice of Meeting and on other matters, if any, which may properly come before the Meeting or any adjournment thereof. As at the date of this Circular, Management is not aware of any amendments, variations, or other matters to be brought before the Meeting. However, if any other matters which are not now known to Management should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matters in accordance with the judgment of the person named as proxy therein.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, no proposed nominee of Management or election as a director of the Company and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the Record Date, determined by the Board to be the close of business on November 1, 2016, a total of 35,323,860 Common Shares were issued and outstanding. Each Common Share entitles the Shareholder of record to one vote at the Meeting. The Company has no other classes of voting securities. Only registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the Company's directors and executive officers, as at the Record Date, Graeme O'Neill, President and CEO, holds directly and indirectly an aggregate of 6,014,717 common shares, representing 17.03% of the issued and outstanding common shares of the Company. MATTERS TO BE ACTED UPON AT THE MEETING

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Unless the Shareholder direct that his or her Common Shares are to be withheld from voting in connection with the appointment of auditors, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Charlton and Company, to serve as auditors of the Company until the next annual meeting of the Shareholder and to authorize the Board to fix their remuneration.

3. Set Numbers of Directors

At the Meeting, Shareholders will be asked to consider and approve an ordinary resolution to set the number of directors of the Company for the ensuing year at four. The number of directors will be approved if the affirmative vote of at least a majority of Common Shares present or represented by proxy at the Meeting and entitled to vote thereat are voted in favour of setting the number of directors at four.

Management recommends the approval of the resolution to set the number of directors of the Company at four.

4. Election of Directors

The Company's current Board consists of Graeme James O'Neill, John Cerenzia, Clay M. Conway, and Corey Klassen. Each director elected will hold office until the next annual general meeting or until his or her successor is duly elected or appointed unless his or her office is earlier vacated in accordance with the articles of the Company or unless he or she becomes disqualified to act as director.

Management of the Company does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of Proxy reserve the right to vote for other nominees in their discretion.

Management of the Company proposes to nominate the following four persons as further described in the table below, for election by the Shareholders as directors of the Company to hold office until the next annual meeting.  - (i) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, that was issued while the proposed director was acting in the capacity as director, CEO or CFO; or

Approval of Incentive Stock Option Plan

The Company’s current Stock Option Plan (the “**Option Plan**”) is a “rolling” stock option plan, which makes a maximum of 10% of the issued and outstanding Common Shares available for issuance thereunder. The policies of the Exchange require that a rolling plan such as the Option Plan be approved by the Shareholders on an annual basis.

The purpose of the Option Plan is to provide directors, officers and key employees of, and certain other persons who provide services to, the Company with an opportunity to purchase Common Shares of the Company at a specific price, and subsequently benefit from any appreciation in the value of the Common Shares. This provides an incentive for such persons to contribute to the future success of the Company and enhances the ability of the Company to attract and retain skilled and motivated individuals, thereby increasing the value of the Common Shares for the benefit of all Shareholders.

The exercise price of stock options granted under the Option Plan will be determined by the Board and will be priced in accordance with the policies of the Exchange, and will not be less than the closing price of the Common Shares on the Exchange on the date prior to the date of grant less any allowable discounts. All options granted under the Option Plan will have a maximum term of five years.

The Option Plan provides that it is solely within the discretion of the Board to determine who should receive options and how many they should receive. The Board may issue a majority of the options to insiders of the Company. However, the Option Plan provides that in no case will the Option Plan or any existing share compensation arrangement of the Company result, at any time, in the issuance to any option holder, within a one year period, of a number of Common Shares exceeding 5% of the Company's issued and outstanding Common Share capital. The full text of the Option Plan is available for review by any Shareholder up until the day preceding the Meeting at the Company's head office located at 137 Ranelagh Avenue, Burnaby, BC, and will also be available at the Meeting.

Upon the approval of the Option Plan by Shareholders, Shareholder approval will not be required or sought on a case-by-case basis for the purpose of the granting of options and the exercise of options under the Option Plan. At the Meeting, Shareholders will be asked to approve an ordinary resolution approving the Option Plan. The text of the resolution to be considered and, if thought fit, approved at the Meeting is as follows:

“RESOLVED THAT:

- (a) *Subject to the approval of the TSX Venture Exchange, the Company's incentive stock option plan, which makes a total of 10% of the issued and outstanding shares of the Company available for issuance thereunder as described in the Company's Management Information Circular dated November 1, 2016 be and is hereby ratified, confirmed and approved.*
- (b) *Any one director or officer of the Company be and is hereby authorized and directed to perform all such acts, deeds and things and execute all such documents and other instruments as may be required to give effect to the true intent of this resolution.”*

Approval of the resolution will require the affirmative vote of a majority of the votes cast at the Meeting in respect thereof.

Management of the Company recommends that Shareholders vote in favour of the approval of the Option Plan, and if named as proxy, the management designees intend to vote the Common Shares represented by such proxy FOR approval of the Stock Option Plan, unless otherwise directed in the form of proxy.

OTHER MATTERS WHICH MAY COME BEFORE THE MEETING

Management is not aware of any other matter to come before the Meeting other than as set forth in the Notice of Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the Common Shares represented thereby in accordance with their best judgment on such matter.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Instrument 58-201 – *Corporate Governance Guidelines* (“NI 58-201”) establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. NI 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Board of Directors

The Board is currently comprised of four directors and it is proposed that four directors will be nominated at the Meeting.

NI 58-201 recommends that the board of directors of every listed company should consist of a majority of individuals who qualify as "independent" directors under National Instrument 52-110 (“NI 52-110”), which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the company's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

Of the proposed nominees, one nominee, Graeme O'Neill, is considered “not independent” as he is the President and CEO of the Company. Each of the remaining three proposed directors is considered by the Board to be "independent", within the

meaning of NI 52-110. In assessing Form 58-101F1 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

Mandate of the Board of Directors

The Board has responsibility for the stewardship of the Company. That stewardship includes responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

The participation of the current directors in other reporting issuers is as follows:

	Marapharm Ventures Inc.

(1) *Member of the Audit Committee.*

(2) *Member of the Compensation Committee.*

Orientation and Continuing Education

The Company has not formalized an orientation program. However, if a new director is appointed or elected, he or she is provided with orientation and education about the Company which would include information the duties and obligations of directors, the business and operations of the Company, documents from recent board meetings and opportunities for meetings and discussion with senior management and other directors. Specific details of the orientation of each new director would be tailored to that director's individual needs and areas of interest.

The Company does provide continuing education opportunities to directors so that they may maintain or enhance their skills and abilities as directors and ensure that their knowledge and understanding of the Company's business remains current.

Ethical Business Conduct

The Company has not taken any formal steps to promote a culture of ethical business conduct, but the Company and its management are committed to conducting its business in an ethical manner. This is accomplished by management actively doing the following in its administration and conduct of the Company's business:

1. The promotion of integrity and deterrence of wrongdoing.
2. The promotion of honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest.
3. The promotion of avoidance or absence of conflicts of interest.
4. The promotion of full, fair, accurate, timely and understandable disclosure in public communications made by the Company.
5. The promotion of compliance with applicable governmental laws, rules and regulations.
6. Providing guidance to the Company's directors, officers and employees to help them recognize and deal with ethical issues.

7. Helping foster a culture of integrity, honesty and accountability throughout the Company.

Nomination of Directors

The Board as a whole is responsible for identifying and evaluating qualified candidates for nomination to the Board. In identifying candidates, the Board considers the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess, the competencies and skills that the Board considers each existing director to possess, the competencies and skills each new nominee will bring to the Board and the ability of each new nominee to devote sufficient time and resources to his or her duties as a director.

Compensation

The Compensation Committee (the “**Compensation Committee**”) is comprised of John A. Cerenzia, Clay Conway and Corey Klassen. The Compensation Committee is responsible for reviewing the adequacy and form of compensation paid to the Company’s executives and key employees, and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling its responsibilities, the Compensation Committee evaluates the performance of the chief executive officer and other senior management in light of corporate goals and objectives, and makes recommendations to the Board with respect to compensation levels based on such evaluations. The directors currently do not receive any remuneration for their acting in such capacity.

Other Board Committees

The Board has not established any committees other than the Audit Committee and the Compensation Committee.

Assessments

The Board has not developed written descriptions or objectives for its executives and looks to generally accepted industry standards as adequately delineating the roles and responsibilities of such persons. There is no formal process for regular assessment of the Board, its committees and individual directors. The Board informally assesses performance through ongoing dialogue amongst Board members.

AUDIT COMMITTEE

General

The Audit Committee is a standing committee of the Board of Directors, the primary function of which is to assist the Board of Directors in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Company’s financial statements and the independence and performance of the Company’s external auditor, acting as a liaison between the Board and the Company’s external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established.

Terms of Reference for the Audit Committee

The Board has adopted the Terms of Reference for the Audit Committee, which sets out the Audit Committee’s mandate, organization, powers and responsibilities. The Audit Committee’s Terms of Reference is attached as Schedule “A” to this Circular.

Composition

The Audit Committee consists of the following three directors. Also indicated is whether they are ‘independent’ and ‘financially literate’:

Name of Member	Independent ⁽¹⁾	Financially Literate ⁽²⁾
Graeme O’Neill	Not Independent	Financially Literate
Clay Conway	Independent	Financially Literate
Corey Klassen	Independent	Financially Literate

- (1) A member of the Audit Committee is independent if he has no direct or indirect ‘material relationship’ with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, reasonably interfere with the exercise of a member’s independent judgment. An executive officer of the Company, such as the President or Secretary, is deemed to have a material relationship with the Company.
- (2) A member of the Audit Committee is financially literate if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.

Because the shares of the Company are listed on the Exchange, it is categorized as a venture issuer. As a result, National Instrument 52-110 *Audit Committees* (“NI 52-110”) exempts the members of the Company’s Audit Committee from being independent.

Audit Committee Oversight

Since the commencement of the Company’s most recently completed financial year, there has not been a recommendation to the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board of Directors.

Reliance on Certain Exemptions

Since the commencement of the Company’s most recently completed financial year, the Company has not relied on the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 or an exemption from NI 52-110, in whole or in part, granted under Part 8 (*Exemptions*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services, however, as provided for in NI 52-110, the Audit Committee must pre-approve all non-audit services to be provided to the Company or its subsidiaries, unless otherwise permitted by NI 52-110.

The table below sets out all fees billed by the Company’s external auditors in each of the Company’s two most recently completed financial years.

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption contained in Section 6.1 of NI 52-110, which exempts the Company from the requirements of Part 5 (Reporting Obligations) of NI 52-110.

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officers

For the purpose of this Circular, a Named Executive Officer (“NEO”) of the Company means each of the following individuals:

- a) the CEO of the Company;
- b) the CFO of the Company;
- c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6, for that financial year; and
- d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at the end of that financial year.

Compensation Discussion and Analysis

Compensation Program Objectives

The objectives of the Company's executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Company's continued success;
- to align the interests of the Company's executives with the interests of the Company's shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Company is a venture issuer company involved in mineral exploration and development; therefore it has not yet generated any revenue from operations. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Company to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Company's executive compensation program has been designed to reward executives for reinforcing the Company's business objectives and values, for achieving the Company's performance objectives and for their individual performances.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a performance-based bonus meant to motivate the NEO to achieve short-term goals. The pre-established, quantitative target(s) used to determine performance bonuses are set each fiscal year. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year.

Stock options are generally awarded to NEOs on an annual basis based on performance measured against set objectives. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The

use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Company's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program, Compensation Risk and Compensation Governance

Compensation of the NEOs of the Company is reviewed annually by the Compensation Committee, which makes its recommendations to the Board of Directors of the Company (the "**Board**"), which approves the compensation of the NEOs. The Company has not retained any compensation advisor or compensation consultant in respect of its compensation policies.

The Board reviews from time to time and at least once annually, the risks, if any, associated with the Company's compensation policies and practices at such time. Such a review occurs at the time of preparation of the Compensation Discussion & Analysis. Implicit in the Board's mandate is that the Company's policies and practices respecting compensation, including those applicable to the Company's executives, be designed in a manner which is in the best interests of the Company and its shareholders and risk implications is one of many considerations which are taken into account in such design.

It is anticipated that the majority of the Company's executive compensation will consist of options granted under the Plan. Such compensation is both "long term" and "at risk" and, accordingly, is directly linked to the achievement of long term value creation. As the benefits of such compensation, if any, are not realized by the executive until a significant period of time has passed, the ability of executives to take inappropriate or excessive risks that are beneficial to them from the standpoint of their compensation at the expense of the Company and its shareholders is limited.

The other two elements of compensation, consulting fees and performance bonuses, represent the remaining portion of an executive's total compensation. While neither salary nor bonus are "long term" or "at risk", as noted above, these components of compensation are not at a level of total compensation whereby an executive would take inappropriate or excessive risks at the expense of the Company and its shareholders that would be beneficial to them from the standpoint of their short term compensation when their long term compensation might be put at risk from their actions.

Due to the small size of the Company, and the current level of the Company's activity, the Board are able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which, financial and other information of the Company are reviewed, and which includes executive compensation. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

NEOs and directors of the Company are not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Compensation of the NEOs of the Company is reviewed annually by the Compensation Committee, which approves the compensation of the NEOs.

Compensation Committee

The Board has established a Compensation Committee which is responsible for reviewing the adequacy and form of compensation paid to the Company's executives and key employees, and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling its responsibilities, the Compensation Committee evaluates the performance of the chief executive officer and other senior management in light of corporate goals and objectives, and makes recommendations with respect to compensation levels based on such evaluations.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Performance Bonuses

The Compensation Committee oversees the operation of the Corporation's bonus plan by evaluating and approving the targets and the objectives to be met by the NEO and the amount of bonus payable at specific levels of attainment of those targets and objectives. The bonus for each individual NEO varies dependent upon the position and the factors considered in assessing the bonus amounts include, but are not limited to, expense control and attainment of specific strategic business goals.

Stock Options

The Company has established a "rolling" stock option plan under which stock options up to a maximum of 10% of the Company's issued and outstanding share capital can be granted to directors, officers and consultants as an incentive to serve the Company in attaining its goal of improved Shareholder value. The Board, based upon recommendations of the Compensation Committee where appropriate, determines which NEOs (and other persons) are entitled to participate in the Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price. The Board makes these determinations subject to the provisions of the existing Option Plan and, where applicable, the policies of the Exchange. Previous grants of option-based awards are taken into account when considering new grants.

As at the date of this Circular, the Company has a total of 2,475,000 options outstanding pursuant to the Option Plan.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.
